

Sheikh Maktoum Hall

About half the size of Sheikh Rashid Hall—with which it shares an architectural style and connecting wall—the 3,800 m² of Sheikh Maktoum Hall are perfect for banquets of up to about 1,800 guests. Like its neighbour, this hall can divide into soundproofed meeting rooms (four in this case) each seating 600 to 750, making it ideal for conferences. For mega-events, Sheikh Maktoum Hall and Sheikh Rashid Hall can be combined into an enormous single-level exhibition space spanning around 11,500 m² and accommodating over 5,600 people, banquet style.
