

MEETING ROOMS

Larger exhibitions and conferences typically require smaller rooms for use during breakout sessions, or for invitation-only gatherings. We have a wide range of meeting rooms all in close proximity to our main halls. Many are located directly above the main exhibition concourse. With capacity varying from 20 people to over 200, these rooms can serve many functions from supporting events and product launches to training seminars and media centres. For VIP options in separate suites we recommend the World Trade Club.
