This elegantly engineered column-free space invites everything from plenary sessions and concerts to sporting events and theatrical productions. Configured as an auditorium, the 7,700 m² hall provides 2,500 retractable tiered seats, a further 2,000 seats on the flat, 4 interpretation booths, 2 green rooms and 3 backstage offices. Flexibility is offered by soundproof walls that divide the hall’s 12 metres height into six large meeting rooms.
